# How to Obtain Discovering Buddhism Course Certificates

**IMPORTANT:** Kadampa Center does NOT provide course certificates. If you are interested in obtaining DB course certificates, you must complete all of the requirements via the FPMT Online Learning Center, which entails much, much more than what is offered through Kadampa Center.

Each FPMT Discovering Buddhism module consists of lectures, readings, meditations, short retreats, quizzes, optional assessments, and a final exam. Students can do some or all of these components of each course, as they wish and are interested. The FPMT's online learning [Getting Started Guide](#) contains instructions on how to create your user account and start accessing courses on the site. The guide includes a list of the enrollment keys for all the free courses available. ***Please note that Discovering Buddhism certificates are not awarded through Kadampa Center. Students must complete requirements through the FPMT to obtain certificates.*** The information provided below is simply meant to help you find the necessary information regarding the FPMT Online Learning Center and Discovering Buddhism course certificates.

## **FPMT Certificate of Achievement**

An **FPMT Certificate of Achievement** for each individual module is issued by FPMT upon completing all the requirements for that module.

- Login or create an account
- Click Discovering Buddhism
- **Enrollment keys** are required to access each DB module, which can be obtained in the [Foundation Store](#)  for a fee or are available as a benefit at certain levels of the [Friends of FPMT](#) program. Students who are enrolled in the Discovering Buddhism course through the Kadampa Center will be given access to enrollment keys at the start of each DB Module. Enrollment keys will be listed here as the two-year Discovering Buddhism course progresses.

## **Module 14: Special Integration Experiences**

It is recommended that the Special Integration Practices of Module 14 are started as early as possible due to the required time and nature of the commitment involved in order to complete them. Please see the FPMT online learning website for further information regarding Module 14 [HERE](#).

## **FPMT Discovering Buddhism Completion Certificate**

An **FPMT Discovering Buddhism Completion Certificate** is issued when a student has completed the requirements for all fourteen modules. Please see the FPMT online learning website for information on how to earn the FPMT Discovering Buddhism Completion Certificate [HERE](#).
